Dear Ms. Gutierrez:

On behalf of Salem Radio Properties, I would like to request withdrawal of the above referenced project. These applications, for Salem's proposed KRLA project, were submitted to your department on May 14, 2008 to authorize the installation and operation of five radio broadcast towers and removal and encroachment on oak trees in conjunction with the proposed development. At this time, Salem is not proceeding with expansion of the operations of KRLA and therefore requests withdrawal of the applications. Salem also asks that if any fraction of the filing fees are refundable, they be notified how to proceed with a refund request.

Should you have any questions please feel free to contact me at (213) 223-1457 or by email at efitzgerald@psomas.com.

Sincerely,

Ellen Fitzgerald
