The Honorable Michael D. Antonovich
Los Angeles County Supervisor
Fifth District
500 West Temple Street, Room 869

**SUBJECT: OPPOSITION OF SALEM COMMUNICATIONS RADIO TOWER
CUP APPLICATION (T2008-00057)**

Dear Supervisor Antonovich:

On behalf of the City of West Covina, I want to convey to you that at the August 19, 2008, City Council meeting, the City of West Covina took a position to oppose Salem Communications proposed installation of five (5) 285-foot radio towers in the unincorporated area of Los Angeles County, adjacent to the City of West Covina, at Buzzard Peak (APN #8277-031-018).

The City of West Covina is concerned that the installation of these radio towers will have an adverse impact on the surrounding communities and the quality of life for West Covina residents.

Thank you for your consideration of this request. Please feel free to contact Chris Freeland, Assistant to the City Manager at (626) 939-8401, if we can provide you or your staff with any additional information. In addition, please contact us to inform us of the status of the project and please place us on the list to be notified of any hearings for this proposed project.

Sincerely,

Sherri Lane
Mayor
